Body Safety Rules

Safe touch and unsafe touch

1. My body is mine.
2. My private parts are private.
3. No one touches my private parts.
4. No one shows me their private parts.
5. Surprises are fine. Secrets are not.
6. I tell, and I keep telling.

It is never my fault.

Telling is always right.

Even if I could not move, kept it secret, or broke a rule.
